Dear Parents and Carers,

As we near the Spring Bank half term we are well into GCSE exam season. To support this year 11 students will be going on study leave from school on Friday the 26th May 2023. Students will be dismissed by members of the pastoral and leadership team at staggered times within period 5 that day.

To support with productive revision throughout the examination season we are going to make a refined offer this year. Previously, post Spring Bank week, we've moved students onto study leave and asked them to attend only the lessons for which they still have outstanding examinations or coursework. Students have not always maximised these opportunities for explicit revision with subject experts. This year we are going to collapse the year 11 timetable, post Spring Bank week, and ask students to sign up to explicit revision sessions.

The sessions are timetabled to be run prior to the examination for the specific subject. This will allow for purposeful revision, with a subject expert, directly before their examination. Due to the number of examinations we are not able to run these sessions for all subjects. Students will still be able to attend afterschool sessions and attend sessions where staff offer invitations. Please note the sessions are a boost to revision, and students should continue to revise at home.

The ambition shown by our students so far has been commendable. Even though the end of the exam season is in sight, it is crucial that students continue to work hard to allow them to achieve their unique potential.

Please discuss the provided sessions with your child and complete the attached form, returning it to school as a paper copy by **Friday 19th May**. The form can be returned to your child's form tutor or to Miss James. We've provided hard copies but also sent home via Class Charts. Students will receive a timetable once we have collected attendee information, these will include rooming and timings.

The year 11 Leavers' assembly this year is being held at the later time of 4pm on Wednesday 28th June. Also, please put the date for Presentation Evening in your diaries in advance. This will be held on Thursday 7th December 2023 at 6pm. We would be delighted to welcome you so you can see your child be presented with their certificates. As always, if you have any queries or questions, contact me in school.

Kind Regards,

Emily Rawlinson
Deputy Headteacher

Enabling individuals to unlock their unique potential

THS has recently switched to using buff paper for printing services. Our paper is 100% recycled.

Revision Sessions Offer

Please sign up, as shown below, and return this form to school by no later than Friday 19th May.
