WEDNESDAYS

What is the difference between **doing something good for others** and having Character?

The THS Character Agenda

What is Character?

Its great to have values! It brilliant to have principles BUT if you don' have a strong character, you come up short!

At THS we want you to have the strength to consistently stick to your principles even when the going gets tough!

To do this need practise and consistency! Character needs to be built!

How we support building Character...

One way we help you to build your character is through the character challenge card (The Road to Success).

Keep these safe and write your name on these!
When you have done some challenges, leave them with your FT who will award House Points!

These combine with your regular ARCH Point totals but demonstrate you are going the extra mile to build a strong character!

House Events

THS HOUSE SYSTEM

Each of you has been allocated a house!

Heads of House are shown on the display boards at the back of the hall!

Throughout the year, there are various events and challenges where you can earn EXTRA points for your house (For example, the digital John o' Groats to Land's End Challenge).

Through supporting your house, you work as a cross-year team to develop and outward looking mindset and the 5 areas of character in the character agenda.

WATCH OUT!

The next event will be the Winter House Festival where we will be competing to raise money for Children in need!

Service Saturdays

This year we will be running a number of Saturday events!

As you will be going the extra mile, this event will gain 20 HP for your house!

This even is being run by the council, but Mr Womack will be keeping a register to add your totals to Classcharts!

On the day you will have the opportunity to sign up to Calderdale Council as a volunteer (if your parents consent) and you will be able to keep your litter picker, jacket and bags to continue the good work!

Staff are also very welcome (VERY) and will gain HP for the house!

Serving others is a critical part of building character!

Its also something that can be added to your CVs for future job applications!

Saturday 6th November 2021

Meeting at Vale Baptist church at 2pm.

Calderdale Council will be providing the equipment needed on the day.

We will spend an hour litter picking then meet back at church for a well-deserved brew and a biscuit.

Why not join us, meet new friends and keep our village tidy.

All welcome

Poppy Appeal

The money raised from these donations is used to help servicemen and women who are still alive, whose lives have been changed by wars that they fought in.

The money helps veterans who may need to find new jobs or somewhere to live, or any other support they may need.

It is also used to help those who have lost loved ones because of wars.
