Resources for stretching your Spanish beyond the AQA specification

NEWS IN SLOW SPANISH PODCAST – These podcasts feature discussions of current news stories in slow and straightforward Spanish. It is a great way to improve your Spanish comprehension skills and understanding of the Hispanic world. It is available with either a Latin American Spanish accent version or European Spanish accent. They speak about news from the Hispanic and wider-international world.

COFFEE BREAK SPANISH PODCAST – Every podcast is a conversation about different aspects of modern life and real-life situations. This is available through Spotify and other podcast services. Transcripts of the conversation are available but you will need to pay for them. The rapport between the hosts is really nice and the more you listen, the more you will understand. There are English explanations of the vocabulary used in the conversations to help you understand. The podcast is available through Spotify and other podcast services.
